

# Mental Health Day on the Hill

## Tuesday, February 14, 2012

This year's Mental Health Day on the Hill will be Tuesday, February 14 (Valentine's Day). Last year's legislative session was one of the toughest in decades. While we were able to save a number of important programs, mental health services still faced massive cuts. It is vital that we continue to educate legislators about the importance of funding mental health services. Please join us and make your voice heard!

### *Approximate Schedule for the day*
